

## Centralized Grading Homework Policy (general policies across all Universities)

- ❖ Homework is due by **11:59 pm on the due date** specified in the Bootcampspot calendar.
- ❖ Centralized Graders will provide feedback along with your grade.
  - Graders will not see comments that you provide in response to the assigned grade and feedback they provide. If you have questions, comments, or concerns about the feedback, please speak with your **instructional staff**.
- ❖ Late homework assignments will receive both a grade and an indication showing the number of days late which your SSM and instructional staff may discuss with you.
- ❖ If you turn in an incomplete assignment, you will receive a grade of "0". Please discuss University resubmission policies with your **instructional staff**.
- ❖ For extenuating circumstances that would cause a late or incomplete homework submission, speak to your instructional staff **PRIOR TO THE DUE DATE** to discuss an extension.
- ❖ Suspected plagiarism will be flagged to your instructional staff and SSM.
- ❖ For additional university-specific requirements and policies, please see below.

## University Specific Guidelines (below policies supercede Central Grading Policies)

- ❖ You may miss 2 assignments (assignments assigned a grade of "0") throughout the duration of the Bootcamp.
- ❖ There is no GPA requirement to receive the certificate of completion.
- ❖ Bootcampspot (BCS) automatically drops the 2 lowest grades; however, since there is no GPA requirement, the grades are solely for your own use during the Bootcamp.
- ❖ Assignments will **not be accepted more than 24 hours from the due date** without written approval from your instructor providing an extension. If you do not submit your assignment within the designated window, you will receive a "0"
- ❖ Incomplete assignments will be given a grade of "0" If you receive a 0 for an assignment that was incomplete, **please reach out to your instructional staff** to determine if you can make the necessary corrections and resubmit the assignment for a regrade.
- ❖ For extenuating circumstances, you may submit a request via slack group DM to your instructional team prior to the due date for a homework extension of no more than 7 days (extension length is at the discretion of the instructor based on each situation).
- ❖ If you miss the extension deadline provided, the assignment will be marked "0" and you will not be able to resubmit it.
